Order

The Court takes up the pending Motion to Compel Arbitration and Stay These Proceedings for ruling having considered the arguments of the parties. The Court finds that the transaction at issue involves interstate commerce, that the agreement to arbitrate "any and all claims" is the "broadest possible language" and that both 8th Circuit and U.S. Supreme Court law require Plaintiff's claims to be resolved by the arbitrator. See Rent-a-Center, W., Inc., v. Jackson, 561 U.S. 63, 130 S.Ct. 2772 (2010). Accordingly, Defendant's Motion to Compel Arbitration is sustained. This proceeding is stayed pending arbitration of Plaintiff's claims are provided for in the agreement.. Case set for status, August 3, 2018 at 9:00 am. /s/JEB/jw
